Q: Where can I test my current reading level?

A: Students may use the Oxford website for reading placement test.

<https://elt.oup.com/student/readersleveltest/?cc=global&sellLanguage=en>

Q: How should I select a reader?

A: After taking the test, students should have a better understanding of their reading abilities. They may then use the "Reading Level Correlation Chart" to select the appropriate readers from the four major publishers: Macmillan, Penguin, Cambridge and Oxford.

Q: What if I do not have a reading buddy?

A: Students are welcome to form their own reading groups, as well as meet with LRC TA during duty hours for a one on one reading session.

Q: How do I get the most out of my reading?

A: Please check the log book to see if the selected readers come with the comprehension exercises, if they do, students may request a free copy from the Circulation Desk. Laminated Answer Keys can be borrowed with a UIC student photo ID card only after the exercises have been completed. No photo taking of the Answer Keys is allowed!
